

CHSCA Hockey Newsletter

February 2021

By Sal Follo

Here are important things mentioned in this newsletter.

1-The CIAC Coaches and Captains meeting in January on zoom was well attended.

2-I will continue to update e-mail addresses for all head coaches and assistant coaches. I will continue to communicate through e-mail. If you are not getting my e-mails, please contact me and I will add you to the list.

3-The Hobey Baker High School Character Award letter and directions to vote online was sent out Feb.18th through e-mail to all head coaches. I hope everyone responds with their selections by the deadline of March 12th.

4-Another reminder, you must be registered with our association to participate in everything we do for hockey. The

CHSCA Membership Form is on our web site that you can download.

5-The CHSCA All State Hockey Ballots will be e-mailed to all head coaches the weekend of Feb. 20th and please return them back to me by March 19th. All coaches will be notified if one or more of your players are chosen the week of March 22nd. We ask when you know when one of your players was selected, please forward me information (email addresses) of players and parents so I can email letters of congratulations to players for making our all-state teams. This will be an addition to you contacting your players and their parents of their selection. The ballot will include the All-State Team selections in Div. 1, 2, and 3. There will be NO all-state dinner this year and NO special awards. Each player will receive an all-state certificate.

6-There will be NO all-star games.
