

# CHCSA Girls Swimming & Diving Report

2021-2022

- The CIAC Committee last met this past May
  - Most of the conversation revolved around changing the Auto-Time cuts across all Class Levels to a “standard” cut to automatically qualify for states. Still having the top 36 qualifiers would not change the actual numbers, but make it more fair across all class levels
  - Facility use and availability still seems to be our biggest hurdle, as we rely on Collegiate facilities come tournament time and scheduling them has become more difficult.

## **2021 State Champions -**

- Class S – Weston
- Class M – Daniel Hand
- Class L – Darien
- Class LL - Greenwich
- State Opens – Greenwich

## • **State Records** Broken in 2021 (9)
