

CHSCA: MEMBERSHIP, PROFESSIONAL DEVELOPMENT, PAYMENTS & COMMUNICATION

CHSCA is proud to launch a new membership platform powered by Final Forms for **membership**, **improve communication**, **streamline events**, and **centralize payments**. Final Forms for Associations brings this platform to empower both Association leadership and members with useful features.

Many coaches' associations, along with here in our state, the Connecticut Association of Athletic Directors (CAAD) use Final Forms' revolutionary features to achieve record membership, event attendance, and professional development participation. We look forward to joining this group, as a leader, to provide a first-class membership experience for all of our members.
